

HOW TO APPLY FOR GRANTS

In its first year the foundation reviewed four four applications reviewed funded one. Now, we fund an average of 12-15 organizations a year. As of 2020, we are expanding our request limit, and now grants can request up to 50,000 dollars -- although most funded requests are at a lower dollar amount. Award size will be based on need, guidelines fit, and the amount of funding available in our budget.

We will consider co-funding with other organizations. All grants are made for charitable purposes in accordance with IRS regulations.

To apply please provide the information requested using the attached form. Email form to apply@jamesbboskeymemorial.org or FAX to 718-701-1244

Deadlines: requests for funds for the following year must be received before October 1. Grants are reviewed in late November, and awarded in January. At the present time, awards can only be made for one year.
